PERS: Powers, Harry Approved For Release 2003/12/02: CIA-RDP75-00001R000400100061-6

NEW YORK JOURNAL AMERICAN

APR 2 7 1964

the pilot of the A-11 (the fastest reconnaissance plane in) the world) Francis Gary Powers who was shot down and captured by the Reds? He took the job with Lockheed when he resigned from Central Intelligence. (Did he resign or was he pushed?)

sulted the British before he made a deal. LBJ plays it cool. Lets them read about it in the papers.
